

FOR CO-MISSION BOARD WHY GARY'S VISITS ARE SO IMPORTANT

Halleluiah praise God, we the members of Soldiers of Jesus Ministries a.k.a Christian Missionary Outreach and the entire members of Jesus Film Team in Nigeria are praising God the almighty who made the visitation of our beloved Brother Gary Glover possible.

This is what we have been expecting for so long, and we have been praying and fasting, for many months for the reality of his coming to visit.

We have been talking to one another for some years but through phone and E-mail but thank God that we can see and know one another face to face here on earth before we go to heaven where we shall no more depart.

In fact, the effects of the visit of our beloved Brother Gary is of great advantages and we can never and never erase the effect of his visit in our heart and in the communities.

THE FOLLOWING ARE SOME REASONS WHY HIS VISIT ARE SO IMPORTANT

This Ministry had accomplished so many things as a result of the visit of Brother Gary and we believe that it shall also bring more fruits in the future.

1. HIS VISIT IS A BIG CHALLENGE TO US

It was a very wonderful things to us to see this man with us in Nigeria, why, because, even our own people here are not ready to go to villages. i.e. remote areas to preach the gospel because of so many hard things they will suffer or pass through such as lack of good roads, bad water mosquitoes bite, and no good food. But it was very amazed for us to see this white man leave his home, wife, family, leaving all the comforts place and enjoyments and travel all the way from U.S.A to African Nigeria not even stay at good places of capitals cities of Nigeria but ready to sacrifice his life to some unreached villages of Ijebu's in Ogun State Nigeria. Now if a white man like him can travel all that distance for the purpose of preaching the gospel with risk of his life, - The Jesus Film Team members have got this a great challenge for us to go out and preach the gospel to the unreached people of the world.

2. DOORS OPEN

There are some people that has decided not to listen to the gospel at any means. But thank God, when this people saw the white man with us they are very happy and came out in large number and through this they hear the gospel – So,. This was how the visit of Gary open doors that devil have been closed for years and open within few days of his visit.

3. STABILITY OF OUR MINISTRY

Thank God, the visit of Brother Gary has provided with us a stability. Before, people were thinking that we are just like a children playing around. But when they saw this man came from U.S.A and he joined the team to go out with us, they now changed their thought and said our ministry is no more a child play. But a real ministry cherished by white man.

4. WILLINGNESS OF MORE PEOPLE

There are many people who are now willing to be involved in missions works which is not possible before, even many people now want to identify themselves with the Team.

5. OPPORTUNITIES TO SEE THINGS BY HIMSELF.

This visit of Brother Gary has given him an opportunities to see things for himself. There are some things which I cannot explain to co-mission by E-mail and phone call but during the time of his visit he can see things for himself.

6. ANSWER TO SOME VITAL QUESTION

We have been able to discussed in detail and face to face the followings questions:

What are plans: 3 month plan, 1 year and 5 years plan?

What are greatest need of our ministry and Why?

How can we accomplish this; what are the milestones, so to measure progress, what are the greatest dangers if accomplish- all this questions with all others that I can not mention are well treated.

7. PRAYER WITH TEAMS

During his visit we are able to prayed together- even we spent some times to pray on our prayer camp ground.

a. He wrote testimonies and news stories that suit the newsletter, he took pictures and captions as much as he wish. He also has opportunity of taken video tape.

8. ENCOURAGEMENT

Brother Gary during this visit to the Team in Nigeria always encourage the Jesus Film Team and also with some group of believers and more importantly the last Sunday while he shared with us that we must allow God to break us so as to be able to be used by God. He shared with us example of a broken cup.

9. SOLIDIFY PARTNERSHIPS

The visit of Brother Gary has also solidified the partnerships.

Finally the visit has provided information that the support Co-Mission is giving or sending out is having a far greater impact than the board members had ever dreamed, and Co-Mission shall be fully aware that God is giving them more responsibilities. We are very grateful to you all and we love you all God will bless you all.
